THE CALIFORNIA RATE SITUATION

The Santa Fe Will Attend No Mor Rate Meetings-A Crists Coming in the Union Pacific Want Situntion-Others News Means,

By Associated Press.
Chicago, Ili., March El—The California rate situation is today in a worse muddle than it has been any time, and there is no telling when it will improve.
The Western Passenger association convened again this morning, but no

convened again this morning, but ne present, and when Chairman Caldwell present, and when Chairman Caloweis went to the office of that road he was informed the Atchison did not propose to attend any more meetings. This decision was brought about by belo-gram from the Union Pacific which

gram from the Atchison as an latter road had been the first to reduce the rates, it must be the first to restore. The Union Pacific made a condition of restoring rates west of the river that the Atchison should restore them east of the river. As the Union Pasine has no line enat of the river, the Atchison simply took this demand as

Not one of the lines has an idea of what will develop next.

The trink lines today decided to strike out the words "pun-negotiable" from all bills of lading. The use of the non-negotiable bill of lading has always been optional with the lines and will still be so, any line desirous of using the pon-negotiable clause having the power to do it. The only difference is that bereforder the words have been printed upon the bills of lading and now they will be omitted.
